

# Motivational Message from CEO

My dear Colleges and Valgro Team members,

January is 1<sup>st</sup> month of New year's, came with full of energy, enthusiasm and power of determination, doing best in life for success.

Valgro is try too making a good environment for country benefits.

With the launching of our New Metal finishing guide at IMTEX. We are watching bright and colourful future of valgro.

I am very much glade and inform you sort and long terms goal for Valgro success.

1. Sort terms Goal up to 2020 : 500 employments and 25 country export.
2. Long terms 2025 : 1000 employment and undisputed brand

The concept of front page on New Metal Finishing Guide volume 2018, having lot of suspense and need to be clarify with team for batter understanding and strong team work to success.

Attach PDF is motto of VALGRO India Management.

Keep in mind values and enjoy work with full of energy and as much as possibility to do.

IMTEX Exhibition is our 5<sup>th</sup> gear speed driving the vehicle. Take care all of you in race.

Fasten the seatbelt and have a safe and successful journey.

Hope all of are ready for adventure of next level speed+++.

Use power of word.

**I can .....I will .....**

**Yes**

**We can ... We will**

Love you all
